- a) all previous levels are fixed;
- b) all players must stay at the same level as they have been originally;
- c) first attempt should be correction backwards;
- d) correction must give positive consequence;
- e) if correction is impossible – original position is saved at that level;
- f) if players are changing their column during correction, also all next levels are changed accordingly.

Level 7 stays as previously (see previous step 3)

(4) Before changes at the level 8 was: NED 1-2-3, RUS 3-2-2. Exchange Heusdens with Trofimov give the same (3-2-2) with Russia but 2-2-2 for Netheralnds so we have positive changes.

Level 9 - NED get 2-2-3 from 2-2-2 so - nothing to change. Level 10 - NED gets 2-3-3, level OK. Level 11 Russia goes from 2-2-3 into 2-3-3, level OK

(5)

Level 12 was changed because of Camroon and France. Niemi was moved forward to keep good balance for this 2 countries
